### Januarys 2016 Weather

Its still a bit chilly out there but we are trying to play outside as much as possible. We have been going for more walks such as going for a walk after preschool to get the mail or making trips together to the store for snack items. We attempted to play outside under the covered patio during the rain we didn't seem to have any issues so with parents' permission we would like to do that here and there. Kids tend to go stir crazy when stuck inside all day. So if you could keep sending kids with winter jackets and warm clothing that would be great!

### Trainings/Closing Early

Due to the hours of some trainings we may be closing at 5:30 from time to time. We will have it posted and speak to parents to let them know ahead of time of this happening. Most trainings are at 6:00 or 6:30 in The Dalles or Hood River, it's hard for both staff to make it to trainings when we close at 6:00. We will not be making this a frequent occurrence.

### Valentine's Day

We will be throwing a Valentine's Day party, it will be on Wednesday February 10<sup>th</sup>. It will be after preschool so please send your child with about 10 blank Valentine's Day cards. The kids will be filling them out and giving them to their friends, treats are welcome but please no Peanuts due to an allergy. We will also be supplying sugar free cupcakes for the party. If you wish your child not participate please call and let Mika or Tonya know at 541-442-5024.
