December

Policies

Just a friendly reminder the policies will be followed to a T. Lack of past due payment by the 25th of the following month without payment plans being arranged will result in prepay per day for childcare until past due balance is completely paid off. If payments continue to be an issue after this then you will have to call ahead for a spot and pre pay each time even after past due balances are paid off. If your child is a no call no show that is a 20.00 fine and after the third time you must call ahead to see if there is a spot available. If you just happen to be having a rough patch and need assistance I am willing to arrange payment plans with you, but please don't just ignore your bill and then think you can keep bringing your child/children.

Holidays

We will be closed on 25th and 26th as well as New Years. During Winter break if we end up with no children then we will close daycare and remain on an on call basis.

Weather/Closures

Please remember to dress your child according to the weather. Bring winter jackets and socks and shoes, hats and gloves are nice to have as well. It may be cold out but sometimes it's nice to go for a walk or run around outside to get rid of pent up energy.

So far during this winter we have yet to have weather that will cause us to close down daycare. But if we do end up with conditions where it is not safe for anyone to be out on the road and the school has closed as well, we will remain closed and open when conditions become safe again.
