Christmas!

I personally would like to wish everyone a Merry Christmas! I hope everyone enjoys time with their family and friends. I know it will be odd having a four day weekend on my part. I can't wait to hear about all the kiddo's holiday events.

We will be closed on Christmas Eve and Christmas. We will also be open on New Years Eve and closed on New Years Day.

Chilly

It is very chilly outside. If the children could bring gloves and hats to daycare and proper coats I would greatly appreciate it. At times we might need to walk down to the bus stop or if energy is too high taking the children outside for ten minutes at a time would be nice. But if children don't have the proper attire we can't do this.

Schedule

I am starting to send out the Calendar for the month so I can have your child(ren) schedule in advance. This way I can give my employees a Monthly schedule as well. We now have three employees total so we can work around most schedules that we are given. My main concern is about staying in ratio especially with the babies. So if our regulars could get us a monthly schedule of what days are needed I would greatly appreciate it. And walk-ins are still welcome as long as we are given a heads up in advance.
