December 2021

**“A child can teach you three things:
To be happy for no reason, to always be curious,
And to fight tirelessly for something.”
~Paulo Coelho**

Weather/School Closure

When there is a school delay or closure, we would appreciate it if parents notify the staff or even leave a message on the daycare phone at 541-442-5024. We personally don't get notifications from the school and a closure or delay effects the schedule due to more or less children depending on what parents decide to do during that time. Do not be afraid to message Mika “too early or late” when it comes to schedule changes and closures, she appreciates being in the know ahead of time.

During a closure we are capable of helping with distant learning as long as the internet isn't affected by the weather. If parents could supply headphones so the students can hear their teachers better without interference from the other children that would make their learning experience better.

After School Care

Please make sure your children are prepared to walk home from the bus stop during the winter weather. Hats, gloves, warm winter coats and proper shoes are needed. As we learned on Wednesday the 15th, snow comes when we least expect it.

Complaints/Issues

Please remember to bring up your complaints or issues to Mika. She is the one to handle issues with staff or how things are handled at the daycare. If you have an issue, feel free to call Mika and if that isn't an option at the time, please fill out a complaint form or document your complaint so she can look over it at a later time.
