“You don’t realize how fast time goes by until you watch what you created grow.”

### **Valentines Day**

We would love to have a valentines day party at the daycare, usually not all of our children come on Friday so we are planning on having the party on February 12<sup>th</sup>. You are welcome to sent valentines from your child to their friends. We will be making the kids individual boxes for their valentines. If you can supply a tissue box or something similar in size we would greatly appreciate it. Attached will be a list of staff and daycare kids including preschoolers and after schoolers if you wish to do all the kids.

### **Nap Time Blankets and Pillows**

Some children are no longer here for nap time. If they are currently attending school or preschool, please pick up their nap time stuff and take it home. We can supply them with a blanket on Fridays if they are here. We would like to clean up some space and declutter our nap mats for the time being. Also please remember to pick up the bedding on Friday and take it home to wash or give staff permission to launder their items on site.

### **Preschool Makeup Days**

Please remember that the preschools and I are not in touch on days they are open or closed and or if they are having make up days. Please be in contact with me if there are days your child will be attending a Friday and or if there will be a bus. The more I know the better I can plan for the day. Also on fridays where there is preschool we will have less children at daycare and I will be needing to rearrange staff hours to better fit the ratio of children we have. The more advanced notice the better please and thank you!
