Fundraising

We have been selling Papa Murphy pizza cards, and so far have sold 141 cards. But we still have 59 more to sell. When we have officially sold all 200 cards we will be having a pizza and movie party for the kids. So if you know anyone who may be interested they are \$5.00 each and a total savings of \$30.00 per card. Just contact Mika and she will get them ready for you or whomever is interested.

Sick Kiddos

It is that time that all the kiddos spread their love around, if your little one happens to become ill please remember or double check our policy, if children are vomiting, have diarrhea, have a fever of 100 axillary or 101 orally, unexplained congestion, wheezing or if a rash pops up with no known cause they need to stay home. And when it comes to vomiting and diarrhea its best they stay and rest until they are diarrhea or vomit free for 24 hours. If you have any questions or wish to double check before sending your child feel free to call the daycare and ask or contact Mika.

Toys

Due to issues we have had in the past and recent ones getting out of hand, we ask that toys from home remain at home. Stuffed animals and blankets meant for comforting are allowed but will be put away once they are no longer needed. If school age children take toys to school they will be asked to keep them in their bags or cubbies. Tablets and other electronic devices also need to stay home or in their bags unless for educational purposes. We do have reading time after school which is when a tablet may be of use. But outside of educational needs tablets need to remain home or put up out of harm's way.

Quality Child Care at an Affordable Rate
