January 2019

New Year New Daycare

We are starting the New Year with a bang! We have been getting shipments in with new toys which include Trikes and Tonka trucks! I'm excited to be able to get outside and start playing with them. We are also going to be putting more toys away and cycling through toys vs having everything out as an option. This way children won't get bored with what we have at daycare.

Schedule

Thank you to the parents who have been bringing back your child(ren) monthly schedule it has been very helpful with getting the staff a schedule for the month. I truly appreciate the effort you all are putting in.

Valentine's Day

We will be throwing a Valentine's Day party at daycare on Thursday. I will be making the kiddos some cookies, due to allergies I'm not sure how they will turn out but were going to give it a try. Please remember that Daycare has is a nut free zone, we also have many kids with dairy allergies and now a child with gluten intolerance plus a staff member as well. So please put that into thought while you are getting your kiddos valentines in order.

After School

Please remember to notify staff of any changes with the afterschool schedule. Staff usually comes back just for the bus alone. If its not needed they be there then please let them know.
