**July 2018**

## **Substation Fire**

First off I would like to thank all the parents for being so understanding during the Substation Fire. It was a crazy Wednesday to begin with and then to add on losing power, going to a level 2 evacuation and then having to remain closed the rest of the week, it was just pure chaos! So thank you to everyone that came as soon as I called.

During the closure I learned that when Wasco is under any level of evacuation we must remain closed UNLESS we are able to transport all the children to a safe location. I was able to come up with a plan that all the parents responded well to. Thankfully come Monday Wasco was back to a level 0 making it so that plan was not needed. But overall you guys were patient and cooperative and I appreciate that.

## **Everything School Related**

Elementary: We will be transporting children to the bus stop in the morning. So I will be leaving daycare at 7:15 every morning to be at the bus stop/park at 7:20 am. If children will be needing to be dropped off at that time you can drop them off with me at the park and I will just walk them back up after the bus leaves, unless you don't mind waiting for me to return. I have a double stroller so taking babies is not an issue.

Preschool: To my knowledge there is still a preschool bus that will pick up and drop off at the daycare. So we will be able to provide that service still just give us a heads up on what days and we will be out there with smiles to greet your kiddos.

Mikas Schooling: Mid-September my classes will change to Tuesdays and Thursdays from 2:00 pm to 4:20 pm. If someone is needed to be picked up off the bus we can figure something out. Just let me know ASAP.

## **Scheduling**

We are getting a few calls asking for spots for younger children/babies. I need parents to be on top of their schedule changes and letting me know so my current kiddos don't lose their spots. I hate to have to turn anyone down but if we don't have the room that will happen. If our numbers increase enough we will plan on trying to hire a third person. If you have anyone in mind let them know we may be hiring and have them fill out an application and turn it in please and thank you☺.
