June

Hot Hot Hot

We have finally reached our usual summer weather. If your child has any conditions that are brought on due to heat or sun please let staff know. This includes asthma, allergies, heart conditions, sensitive skin or even a reaction that may occur due to medicine as examples. We want all children to enjoy their time at ABC Huskies and if needed we can make special arrangements or come up with activities so everyone can enjoy their time here.

Extra Clothes

We are asking all children to start bringing an extra pair of clothes, swim wear to play in the sprinkler (if ok with parents/guardians) and a towel for after water play. If you would like you can even keep them here for convenience and we can wash them with daycare laundry every Friday. We have had to hold off on water play due to children not having needed items but starting in July we will schedule water play and children without will not be allowed to run in the sprinklers. It isn't fair for everyone to miss out because some forgot. If you wish for your child to enjoy water play please remember their swim wear and towels. If you would prefer they not play in water please let the staff know so we can arrange an activity for them to participate in during that time.

Preschool

We are still offering preschool throughout the summer. If you wish for your child to be included in preschool stop by and fill out an enrolment form. Preschool is \$120.00 (pre-pay) for Monday through Thursday 8:30 Am to 11:30 Am. If you only wish for certain days please speak with Mika and we can figure out cost and schedule for your child.
