**March 2022**

“No significant learning occurs without a significant relationship.”

Dr. James Comer

**SPRING**

Spring is coming up, which means more and more time outside.

Please make sure to dress your child in shoes and clothing that they can get dirty in. We have a dirt pit that the kids play in, and as the weather gets better, they will be spending more and more time in it. If your child has allergies, please notify staff of their symptoms and, if possible, the cause of their allergies. We can give them the best care possible if we know all that they are going through. If we know what they are having issues with and or their symptoms, we won't mistake their ailments for being sick.

**Mika's Days Off**

I will take one or two days off a month to have some me-time. On these days, you will need to call the daycare at 541-442-5024 for any needs. Unless it is an emergency, I will not be taking any calls or texts. The staff will have a list of proper ratios due to who is on the clock, the kids coming, and their parents/guardians' contact information. Due to less staff being available these days, drop-ins may get turned down. For March, I will be taking off the 21st and 22nd.

**Thank You**

Thank you to everyone who has been keeping their kid's "specials," aka toys, at home. It has helped minimize the "mine" meltdowns and kept playing a neutral environment. We will keep this as a rule since it is going so well; if your child wishes to have a stuffed animal to snuggle with during nap time, that is okay as long as your child can snuggle it vs. it being a distraction and playing with it. But the animal will be staying with their nap items.
