May 2019

Summer Schedule

Our days are filling up and we would like to be able to have a good idea of what this summer will look like. I will try to get a summer schedule made up and sent out but if you could let staff know an estimate of when you will need child care we would greatly appreciate it. I'm currently trying to plan out a fun summer with outside sources to come in and teach or work with the children such as the fire department and police department.

This is currently still being worked on, but if we had a schedule of about when your child(ren) would be coming I can plan out our summer and make this the funniest summer yet!

Pancake Feed

Don't forget that our pancake feed is happening this Sunday and Monday from 7:30 Am to 10:30 am. Stop in and enjoy a yummy breakfast and say hi.

Water Play

Once summer fully hits we would like to start doing some water play. This will include anything from sprinklers to a water table. If you could have the children bring a swimsuit or swim clothes and a towel that would be wonderful. If you wish for your child to not participate in water play please let staff know. This way we can better plan for the days he or she will be here.

Swim Bus

I am not 100% sure yet if we will be able to transport children to and from the bus. If this is something that you will need please inform staff as soon as you know when swim bus will be and we will try to accommodate this need as much as possible.
