**May 2022**

“When little people or overwhelmed with big emotions, its our job to share our calm, not to join their chaos.”

L.R. Knost

### **SPRING/SUMMER**

We are spending as much time outside as we possibly can especially before the summer temps restrict our outside time. Please make sure to dress your children in clothing that can keep them cool in the hot temps or pack them a spare set. A spare pair or shorts and tank or t-shirt would be great. For shoes if the children could wear closed toe sandals or shoes that would be great. We plan on taking field trips this summer and flip flops and sandals that slide off easily make it difficult to get where we're going in a timely manner.

This summer we plan on having some fun activities especially for the older children. If parents have any suggestions for projects or activities feel free to let us know. We are wanting everyone to have fun this summer and our goal is to not hear the phrase “IM BORED”.

### **Thank You**

Thank you everyone for dealing with the crazy multiple closed Fridays. From family emergencies to burn out and even getting sick myself we have had a few Fridays we had to close and each one was a last-minute notice. Everyone was so kind and understanding and I just wanted everyone to know I really appreciate it.

### **Staffing**

We have a few new staff members and the surprise of a past member coming back. Kayla Norris is returning to work at the daycare and we are all thrilled to have her back. We recently hired Heather Sutton and Jessica Campanella.
