November 2016

### **BRRRR!!!!!!**

It is very chilly out and it is about to get even colder. Please make sure children come with appropriate attire, socks, shoes, jackets, coats, and hats. And the after school children go to school and also get off the bus with a coat. We understand accidents happen and children forget stuff at school. But it's a very cold walk to daycare without a coat or jacket of some form. If you wish to leave a jacket or hoodie at daycare that would be fine as well. Put your child's initials or name and we can keep it in the office for days they are without.

### **Christmas**

We usually celebrate Christmas with the children. We will decorate a tree, and throw a small party. Please let us know if you wish that your child sit out so we can plan it on a day that he or she will not be here. We will be open all Christmas break, Monday through Friday. The only reason we would be closed is if we are unable to make it to the daycare due to weather. Please let us know your schedule so we can get the children on the list ahead of time. If we are aware of the children and age groups and are given enough prior notice we can plan age appropriate activities like experiments and crafts.

### **Payment Reminder**

Payments are due 10 days after billing is sent out. If you're having a rough time or you need to arrange a different payment plan that is fine but remember to stay in touch during these times. There is 5% interest that is charged to past due amounts and a \$35.00 late fee. There is an option to pay in advance which then you will receive 5% off. If you have questions and wish to look into this avenue please feel free to ask Mika about it.
