November 2020

Thanksgiving/ PJ party!

If you need care on black Friday please make sure to get your child on the list ASAP! If we have no children we will remain closed that Friday.

We plan on having a pj party before thanksgiving break. We all will wear our pjs and enjoy a movie day before having our own small thanksgiving meal. We will have turkey, rolls, mash potatoes and a fruit. So please dress your child to be comfy and cozy on the 25th and make sure their ready to have a mini feast.

Christmas

We will be closed on Christmas its self. If there is a need for care on Christmas Eve please let staff know and care can be arranged. We will be planning our own Christmas party and will let parents know the details as soon as it is all figured out!

Reasons for exclusion for Covid-19

- If child or staff member has had illness with fever, unusual cough, or shortness of breath in the last 10 days. They must be sent home and stay away from the facility for 10 days after onset of symptoms.
 - If person tests negative for COVID-19 they may return 24 hours after resolution of cough and fever free.
 - If medical professional advised person they can return to care and diagnosed with something else.
- If child or staff member has symptoms of diarrhea, vomiting, headache, sore throat or rash they must be excluded and consult a medical professional
 - May return if medial professional advises them they can or are 24 hour symptom free
- If child or staff member has been exposed to someone with a current presumptive or positive Covid-19 case
 - Must quarantine for 14 days starting from the last time you had contact with the presumptive or positive Covid-19 case
 - **For presumptive cases only:** if exposure was to a presumptive case, exclusion is required only if the child or staff was exposed in the 10 days after the Covid-19 person started having symptoms. This is the period that they would be infectious.
