October 2020

Schedule Changes

Now that everything is back into full swing we have changed the schedule back to somewhat normal.

- **7:30 am** Breakfast
- **10:00 am** AM Snack
- **11:00 am** Outdoor play time (dependent on number of infants and staffing)
- **11:45 am** Calm down time before lunch
- **12:00 PM** Lunch
- **12:20 PM** Preschool arrives and bathroom breaks begin
- **12:35 PM** All children laid down & quiet time for older children
- **2:30/3:00** PM Snack (when children start to wake up)
- **4:15 pm** Outside time (weather permitting and if daycare is picked up)

This new schedule has worked well with the children and helps staff fit everything in with infant nap times. But please remember, childcare schedules don't always work as planned. Variations in nap times and outside weather conditions can affect play time. We do try to get the kids outside as much as possible so please be patient with us.

COVID-19

With the recent Covid-19 scare at the daycare and a few more cases in our county we are going to push that parents follow the rules. This includes always wearing a mask I will try to provide masks outside the door for the times that they are forgotten. As soon as you enter the building please use the hand sanitizer beside the door. We will be wiping down the doors as much as possible and trying to keep the drop off location sanitized. No more entering the building and sitting down with your child and other children. We understand drop offs can be hard but we are going to try to meet you at the door as much as possible as long as we are staffed to do so. If you must come inside we ask that you do not leave the front door rug. I know I haven't been as strict as needed in the past and we all ended up getting comfortable. With the new cases it was a reality check especially when one of them could have shut down the daycare. If there is a case that is related to the daycare or anyone in the daycare we would have to shut down for a 2 week period and all quarantine this is why I am trying to be strict about this and stick to the rules set out by our governor and The Early Learning Division Office of Childcare. So please keep help us out to keep ABC Huskies Daycare a Covid free zone as long as possible and follow the guidelines and rules.

Thank you!!!!!!
