October 2016  
New Staff

We now have two staff members! It was a long wait but we now have two people working Monday through Friday. Tabitha Hein Started on October 10<sup>th</sup> and so far has been working out great with the children. I will still be floating around in the afternoons until all the necessary trainings are here and everyone has met her. But now that we have more than just myself we after school care will be much easier.

After School

Now that the after school programs and sports are going please remember to get your Childs schedule to us so we will know when and which bus they will be getting off on. And please double check that your child is getting off at the correct stop. We have been having issues with children getting sent to one place when there meant to be sent to another. Or meant to go home and end up coming to us. So double check schedules and inform us when we are involved please and thank you.

Halloween!

We will be having a Halloween party on Monday at 10:00 am for the preschool and younger children so they don't miss out on the fun. We will have a special treat and a Halloween movie afterwards. Mika will be dressing up and other staff and children are welcome and encouraged to as well. We are hoping to have a spooktacular day!
