## October 2022

Beneath every behavior there is a feeling. And beneath each feeling is a need. And when we meet that need rather than focus on the behavior, we begin to deal with that cause, not the symptom.

-Ashleigh Warner

## Fall

It is finally cooling down and time to remember to pack warm clothing. Make sure that your child has a jacket or coat possibly a hat so we can still enjoy outside time. If parents could also pack spare socks and make sure the kids come in clothing that they can get dirty in that would be much appreciated.

## Halloween

This year Halloween is on a Monday. We will be celebrating it on Monday the 31<sup>st</sup>. Your child is welcome to dress up and enjoy the fun. We will be taking them for a walk downtown. The post office and The City will have goodies to hand out to the kiddos. I will try to have sugar free substitutes for some of our kiddos since they don't do sugar or dairy at home. If you would like to participate in something for the kiddos, please contact Mika since we have a few kids and staff with allergies to foods we would like everyone to be able to participate and enjoy the festivities.

## Mikas Days off.

I will be taking off November 1<sup>st</sup> and 2<sup>nd</sup>. On these days I will be out of state, you will need to call the daycare at 541-442-5024 for any needs. Unless it is an emergency, I will not be taking any calls or texts. The staff will have a list of proper ratios due to who is on the clock, the kids coming, and their parents/guardians' contact information. Due to less staff being available these days, drop-ins may get turned down.
