October 2023

“Our children are children for such a small season of life. Let their laughter ring out, their imaginations soar, their feet stomp in puddles, their hands clap for joy. Too soon they will grow up and out of their youthful exuberance and zest and settle into the life and routine of adulthood.”

~L.R. Knost

GROUP ME APP

The group me app will be the place where parents will be notified of emergency closures, eminent weather changes, communicable diseases, early closure, late opening, events within the daycare. One family member within the household needs to sign up. I will resend the link to everyone remaining and from there it is up to you. You do not need to download the app, just sign up and accept the request for the chat. You will receive texts to your phone if you do not download the app.

Amazon Wish List

I have started an Amazon wish list that has anything from structures that we would enjoy to replacement sippy cups. I will be sharing it on the group me app feed and Facebook. If anyone would like the link, feel free to ask and I will gladly sent it to you in a private message.

Halloween

Halloween is on Tuesday October 31st. We will be dressing up and having a fun small Halloween party at the daycare. If the weather is okay we may take the kids on a walk to go visit the local businesses. We will also be closing early so staff can get home before trick or treaters and prepare for their night. So we will be closing at 5:00 as in locking the doors and leaving at 5:00.

Closure/Holidays

We are closed for Thanksgiving the 23rd and 24th. For Christmas our staff will be closed on the 25th and 26th so staff can enjoy time with family and not rush back for work the following day. We will only be closed on January 1st.
