## September 2018

### Bus schedule

We are back to our regular schedules and summer is officially over. At this moment we are having to take children to and from the bus stop. So if your child is here before 7:30 they will need to be dressed for the weather to walk down to the bus stop and sit and wait till the kiddos get on the bus. If you are dropping off between 7:30 and 7:50 we will be on our way to the bus stop and or at the bus stop. You are more than welcome to come down and I can just walk the kiddos up and sign them in when we return to daycare. We are hoping to have the bus pick up kids here at some point but right now the bus company is short on staff.

Preschool is still being dropped off here at daycare but they are not being picked up here. You must drive your little ones to preschool and then you can pick up here at 12:20 pm.

### Scheduling

Thank you everyone for understanding our crazy schedule with the Bus situation. Also thank you for being on top of letting us know who will be getting off and when. It makes our jobs much easier when we know who and when to expect.

### Library

The library will be coming twice a month now. This will be on the second Thursday of the month and the fourth Thursday. Natasha will come around 9:00 am and then leave about 9:30 am. She will read the kids a couple books, sing some songs, and then a craft.

### Preschool

We are still offering preschool Monday through Thursday. Right now we are continuing the schedule as before with our two year olds and working on our alphabet, numbers, colors and shapes.

### Allergies

For the month of October we will have children with peanut allergies please be cautious and try to make sure your children don't bring any into daycare so we can keep everyone safe and healthy.
