## October 2019

### Halloween

We will be dressing up per usual and having a small party for our littles. This will include a special Halloween movie, a walk down to the store for a special treat and cookies for snack! Please dress your child appropriately under their costume for our walk and outside play. Or if you wish we take their costume off while playing outside we can do that as well.

### Outside Play

We are trying to spend as much time outside as possible while we still can. Some days are great but a little chilly, if you could please pack or even leave at daycare a hat, gloves and a jacket that would be amazing! Our goal is to keep playing outside till it's too cold per states recommendation which is around freezing.

### Preschool

We have been having a blast learning through play with our colors, shapes and animals. The kids also have been learning about fall and enjoyed finger painting their fall trees.

### Staffing

We have new staff which is a bonus but we are still working on trainings and what position each person will fill. So please bear with me as we still can only take 4 children under 24 months at this moment. You guys honestly have been a blessing through all of this and I appreciate all of you!

### Thanksgiving and Black Friday

We will be closed on Thanksgiving. Black Friday will depend on the need for childcare. So if you will need childcare that day please let us know in advance so we can properly staff that day.

### Daycare Needs

With runny nose season coming up if you would like to donate some tissues, Lysol and/or Clorox wipes we could always use more. It's hard keeping up with all those noses and wiping things down throughout the day as they get goopy and coughed all over.

Again thank you for being the supportive parents you are <3
